

INTERIM MEETING OF THE IARU REGION 1 VHF/UHF/MICROWAVE COMMITTEE
VIENNA 19.- 21. April 2013

Document	VIE13_C5_28
Subject	Proposal to avoid copy right problems for articles exchanged between IARU, Region 1, magazines.
Society	IARU Region 1
Contact	OZ7IS, Ivan
Status	Proposal

For decades it has been said that all articles in any of the IARU, Region 1, magazines of the member societies could be copied/translated in any of the other magazines without problems and without violating copyright law.

It has been stated over and over again and hence established as a fact!

But suddenly a claim of violated copyrights arrived on the editor's desk of "OZ" – the Danish amateur radio magazine. My immediate reaction was to refer to the "well known fact" mentioned above!

But panic broke out in the editorial staff and I had to prove my contention!

In order to do so I leafed through my IARU documents and recommendations as far back as to 1978.

I found NOTHING to substantiate my claim!

Then I turned to several members of the EC and AC. They all knew about the agreement but none have so far been able to come up with a reference to a particular document/recommendation.

There seems to be no such document after all?

But we need it! We must work towards a recommendation like that "missing one".

The original problem we had in "OZ" is now solved.

To avoid any such problems in the future we have produced a document for the authors of articles send to the editors of "OZ" to sign. (See attachment.)

In order to (re)establish a recommendation that despite the normal copyright law allows us to bring the articles mentioned we propose to make an agreement between the IARU, Region 1, amateur radio societies/magazines along the following lines:

- a) When planning to print a copy or translation of an article as mentioned - ask for permission from the magazine of origin.
- b) Make a general recommendation stating that authors renounce their rights when their article have been published in one of the IARU, Region 1, magazines. Other member society magazines can then copy/translate the article having achieved permission (a).
- c) Establish a form for all authors to sign after handing in material for the (national) editors.
(See attachment.)
- d) Make these rules clear in the leaf imprint of the (national) magazine.
