

International Amateur Radio Union Region 1

2017 General Conference – Landshut, Germany

16 – 23 September 2017

Subject	Diplomas from Region 1 VHF and UHF contests		
Society	EDR	Country:	Denmark
Committee:	C5	Paper number:	LA17_C5_51
Author:	Claus Felby OZ1FDH		

There is a large backlog of diplomas from past years Region 1 VHF and UHF contests, which has not been prepared nor distributed. It has been previously suggested that the diplomas could be downloaded from the IARU web by the participants, this seems like a good solution and is already practiced by among other EDR and SSA.

It is suggested that the C5 committee finds a solution for the diplomas to be issued and distributed.
